I just spoke with Paul Esparza- Andalon and sent him and Blanca Jimenez a confirming e-mail. Paul will seek approval to get me the contact information for the FHA representative. As you may know, BOE and Caltrans have been under the belief no agreement was necessary; but with FHA saying otherwise, we'll be pleased to get it done. Once we speak with FHA, we'll have a better idea of what form and content for the agreement is needed.

The agreement need not slow down BOE's progress on the project.

We'll keep you posted. Thanks. Dave M.
